

A message for parents

WEEE Pledge is a **FREE Schools Waste Battery Recycling Programme** that educates and encourages environmental awareness among students.

How you can support your child's battery recycling:

1. Pledge as a family to become **Guardians of our Planet!**
2. Collect the waste batteries in your home
3. Place them into your **WEEE Ireland Blue Battery Box**
4. Once your **Blue Battery Box** is full, return them to your child's school for recycling

Recycling your families waste batteries ensure precious materials can be recovered for re-use in manufacturing, and any hazardous waste is disposed of safely. As a family you'll learn the importance of recycling, help protect the future of our environment and support families cared for by LauraLynn.

WEEE Pledge also offers students the chance to win fantastic prizes for the most batteries collected per school. Ask friends, family and neighbors to support you and get as many waste batteries as you can!

Lets get recycling all our batteries

See weepledge.ie to find out more!

Recycle waste batteries and help raise funds for LauraLynn, Ireland's Children's Hospice.
